3. The buses will be examined by a committee consisting of the undersigned and two other officers on or about the 20th June 1931.

4. No buss will be passed unless it satisfies the following conditions.

(*a*) That the body is free from noises and squeaks.

(*b*) That it is properly re-painted and decent looking, and if painted within the last six months, re-warnished before presentation for inspection of the committee.

(*c*) That it is provided with water-proof, side curtons with celluloid or glasspanes for the front seat on both sides.

(*d*) That the back curtain is also similarly provided with a large glass or celluloid pane.

(*e*) That the curtains are provided with stout leather straps so that they could properly be folded when not required.

(*f*) That the roof and the floor of the bus is perfectly water-tight.

(*g*) That the interior of the bus is provided with,
(1) an inside roof light and an inspection lamp,
(2) an accurate speedometer, and
(3) a clock.

(*h*) That the head lights are fitted with a dipping or any other anti-glare device prescribed under the rules.

(*i*) That it is provided with two spare tyres and a complete kit of repairing outfit.

(*j*) That the registered number of the vehicle, the amount of luggage and the number of passengers which it is licensed to carry are clearly painted at the back.

(*k*) That it is provided with a thick water-proof tarpaulin for protecting articles carried over the top.

5. Buses over three years old are liable to be rejected.

6. Licensees are expected to keep spare relief buses to replace those running when temporarily disabled on the following scale:—One bus when the daily running mileage is fifty miles or less and another bus for every hundred miles.

7. Fresh licenses will be granted according to the priority of the applications, provided buses offered to be put on service are perfectly sound. All things being equal, preference will be given to applicants producing brand new buses for the intended service.

G. B. HEBLIKAR,
District Magistrate.
